Milton Keynes is lively, modern, and constantly evolving, offering something for everyone from family-friendly attractions to thrill-seeking activities.

Going for the day...

For young families you can have a jam-packed day of fun at Gulliver's Land, letting your imagination run wild in this magical place of fun and adventure.

Stop to have a bite to eat at one of the many on-site restaurants and then more thrills on one of the many rides and attractions.

For older children, why not head to Xscape and try a snowboarding session, the trampoline park, or maybe some indoor skydiving, if you're feeling brave enough?

And you won't go hungry with the many eating places within Xscape, from family favourite restaurants to grab and go fast food outlets.

Staying for the weekend...

You can fill your whole Sunday with a trip to Willen Lake!

As one of Milton Keynes' most popular attractions there is an abundance of activities to keep the whole family entertained, including their observation wheel with stunning aerial views of the city.

Try their Treetop high ropes adventure course, crazy golf or maybe head to the watersports centre for a paddleboard or pedalo session.

Take your own picnic or try out their cafe while enjoying a lazy afternoon spending time by the water.

Staying for longer...

If you've got more time to spend, why not try karting at Silverstone, ice-skating or maybe take in a match at Stadium MK watching the mighty MK Dons in action.

For the more energetic family you can take to the many miles of the safe cycling Redway system and discover the Milton Keynes behind the shopping centres and roundabouts.
