

# History & Culture

Milton Keynes is a place with a rich and interesting historical past, combined with the vibrant cultural life of a modern city.

## Going for the day...

Start bright and early with a visit to Milton Keynes Gallery to see their latest contemporary art exhibition.

Then have a wander around the city centre and Campbell Park, discovering some of the many wonderful public art sculptures on display.

On to lunch at Pho in centre:mk for a real taste of Asia or to Maaya in The Hub for a sensational Indian meal, and then a visit to Milton Keynes Museum in the afternoon.

Why not end the day by taking in a show at Milton Keynes Theatre followed by dinner?

## Staying for the weekend...

After staying at one of the many hotels in the Milton Keynes area, begin your Sunday with a stroll along the Grand Union Canal.

Head to one of the surrounding market towns for a spot of lunch in one of the traditional English pubs.

Spend the afternoon at Bletchley Park home of the famous World War II codebreakers, learning the stories in this fascinating heritage attraction.

And maybe end your second day by taking in a some live music or comedy at The Stables Theatre.

## Staying for longer...

If you're staying for longer head to Woburn Estate to soak up some history at this elegant country house estate, just 10 minutes from the city centre.

Maybe take a day trip to the historic town of Olney, home of the famous annual pancake race, where you can visit the spectacular church and the Cowper & Newton Museum.
